3. Decibel

HELLO, I'M LAILA!

I'LL TALK ABOUT HEARING DISABILITY NOW!

Hehe

FOR A "NORMAL" PERSON, THE AVERAGE SOUND THEY CAN HEAR UP TO IS ABOUT 20 DECIBELS

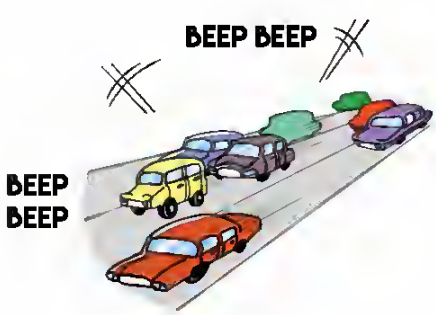
FOR SOUNDS THAT YOU NEED TO CONCENTRATE TO HEAR, IT WOULD BE ABOUT 10 DECIBELS

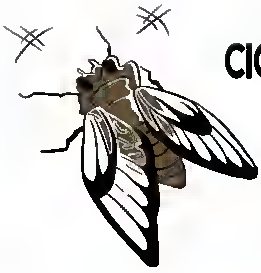
20 decibels

30 decibels

50 decibels

70 decibels

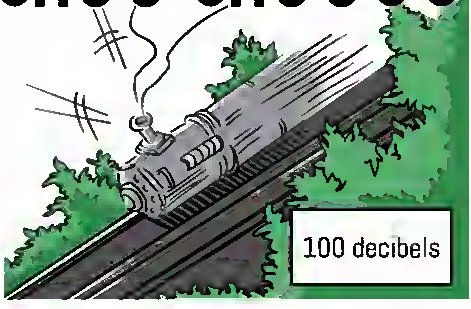




CICADA CHIRPS

80 decibels

CHOO CHOOOO



100 decibels

ZOOOOO
OOOOOO
OOOOOM

IF YOU USE THESE SOUND REFERENCES AND SET AN AVERAGE, THERE'S ABOUT 4 DIFFERENT TYPES OF HEARING.

2 plus 2 is 4 hehe

1. IF BOTH OF YOUR EARS CAN ONLY HEAR UP TO 60 DECIBELS

2. IF BOTH EARS HAVE HUGE DIFFERENCE IN DECIBEL LEVELS IT CAN HEAR

3. YOU CAN HEAR FLIES BUZZING AROUND, BUT YOU CANNOT ARTICULATE

4. IF YOUR DEAFNESS REACHES THE LEVEL WHERE IT IS HARD FOR YOU TO BALANCE.

I'M IN THE 1ST TYPE, AND
MY DEAFNESS REACHED 113 DECIBELS.

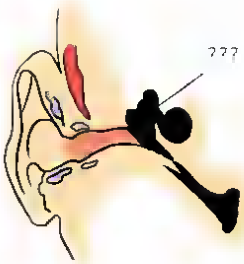
FOR EXAMPLE,
IF RIGHT BEHIND ME.

THERE WAS A GIANT CONCERT, I WOULDN'T BE ABLE TO TELL.

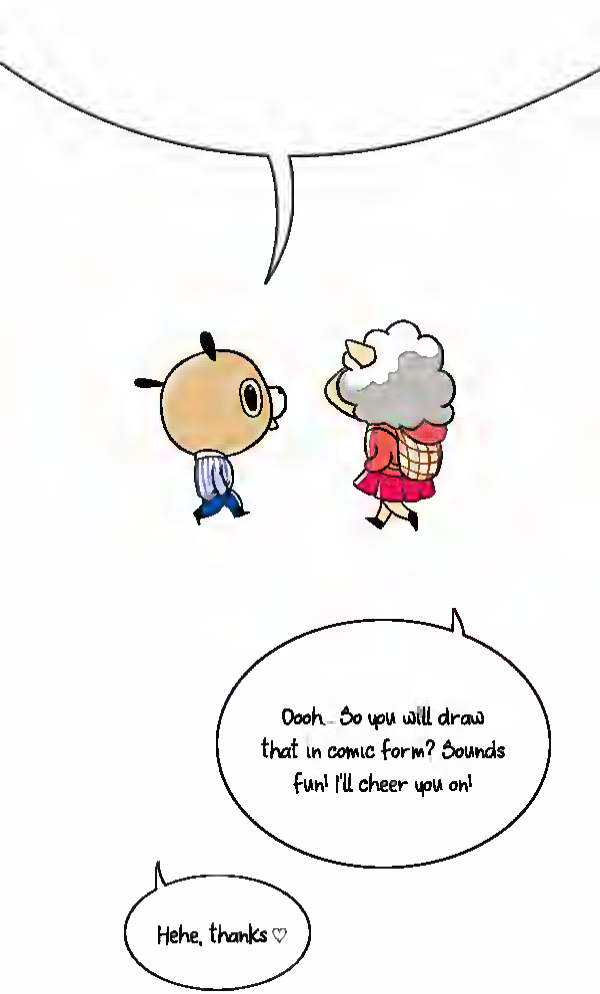
Then you can hear sounds that are higher than 113 decibels?

No, even that sounds like vibration rather than sound

FOR NORMAL PEOPLE, THEY CAN HEAR BECAUSE THE HAIR CELLS WITHIN THE EAR IS ALIVE.



BUT FOR ME, THE CELLS THAT TRANSLATE VIBRATIONS TO SOUND IS DEAD, SO I CAN ONLY FEEL THE VIBRATION.



"As a fan since best challenge, I hope that many people will read this webcomic. This comic made me realize how much of an arrogant and impudent person I was all this time, so I hope others read it. All this time I didn't think disabled people as bad in any way and treated them like I would to any other person, but I realized that it was wrong of me to do that while reading the comics. Of course, I wasn't making fun of them or hurting them physically, but I hurt them in ways I couldn't tell, and it made me realize what I was doing. I hope you can continue drawing these, author, I'll be cheering you on!"

Calling for help!

We need *you* for faster releases!

Know some Korean, Japanese, or Chinese? Have some knowledge in photoshop? Know how to redraw manga and webtoon? We need your help! For faster releases, we need more available staff, so please head over to our blog page <URL redacted> and apply today!

JTL needed

Machi de Uwasa no Tengu no Ko

Some interesting looking webtoons need a KTL ;)
